ACKNOWLEDGEMENTS

I am extremely grateful to my parents for their love, prayers, caring and sacrifices for educating and preparing me for my future.

I am very much thankful to my wife and my children for their love, understanding, prayers and continuing support for my works. Also, I express my thanks to my relatives, brothers and sisters for their endless support and valuable prayers.

My Special thanks goes to Haji Said, Tumain Reuben Rehman and Benjamin Alkado Kachele for taking their time to review this book. Their expertise, commitment, sacrifice and keen interest have contributed much to the final completion of this book. Beside my reviewers, I would like to express my deep and sincere gratitude to Alune Afyusisye Gwalugano, Beatha M. James and Boniphace P. Ntegeye for their positivity, dynamism, sincerity, encouragement and motivation which have deeply inspired me to have positive mind while I undertake my writing projects.

I thank my Heads of School, fellow staff members and special members of English Language and Literature Departments from Lukima Secondary School (Mbinga, Ruvuma, 2011 – 2012), Mwese Secondary School (Tanganyika DC, Katavi, 2012 – 2014), Karema Secondary School (Tanganyika DC, Katavi, 2015 – 2019), Sibwesa Secondary School (Tanganyika DC, Katavi, 2019 – 2022) and Kabungu Secondary School (Tanganyika DC, Katavi, June 2022 – Present) for their linguistic, mutual and brotherly support.

Last but not the least, I extend my heartfelt gratitude and appreciation to all my students wherever they are. Without their cooperation and trust my writing career would not have reached this point. They are precious people who have made this journey possible.

INTRODUCTION

[Kachele Online Qu?z Book](#) has been prepared to help any English Language learner practice English Grammar through questions and reach the ultimate goal of understanding both [Spoken](#) and [Written English Language](#).

This Quiz Book has covered the following [English Grammar topics](#):

[Grammar in general](#). This topic includes the variety of grammar questions which aim to test the learners in multiple areas like structure, spoken English, written English, tenses, and vocabulary.

[Tenses](#). This book has exhaustively covered all questions about English tenses from simple to the complex ones. Both present tense, past tense and future tense have been presented in applicable and real-life questions. These tense questions have been formulated to follow all English tense rules with examples which will unlock the learner's difficulties in learning tenses.

[Parts of Speech](#). This is one of the important pillars of English grammar. The other one is tenses. In this part, the book contains all necessary parts of speech the learner need to know. These include: adjectives, adverbs, articles, conjunctions, interjections, nouns, prepositions, pronouns, and verbs. The questions from these parts of speech have been designed to help the learner have in-depth understanding of each part of speech and all the components which are found in them.

[Other Grammar Topics](#). This section has been added to help the learner gain other English grammar skills like sentences, modifiers and quantifiers, cases, determiners, verb conjugations, subject-verb agreement, punctuation, English abbreviations and contractions, symbols, pronunciation, phrases, clauses, conditional sentences, question tags, negatives, active and passive voice as well as direct and indirect speech questions.
